“ I just heard about Barbara. She was a special colleague at Cobb County Schools, my Admin for 8 years. Together we learned about computers (back in the early 80's) We kept in touch every few months, but I was shocked to find out about her passing. Godspeed Barbara.

My favorite memory was when she took a call from a School who was wanting someone to come "get these birds out of the top of our covered play area". Barbara quickly sent out an emergency crew only to find out that the crazy teacher was only talking about badminton birds.

“ I have so many precious memories with Barbara: going to Montezuma for Peaches, the Sock Factory, book signings in Marietta. My best memories are the monthly "lunch bunch" get-togethers in Marietta. Good food and good fellowship. To her family I send my condolences and the realization of the sadness you are feeling. To the little great granddaughter, she was so thrilled with your birth. To the grandchildren, she shared and felt each of your joys and sadness. To her sons, she cherished your visits and thoughtfulness. She had a good heart and was a good person. She will be missed by so many.

“ Barbara was such a special friend to all who worked with her during her many years with the Cobb School District. She was a beautiful person, both inside and out, and lived her life with gusto~ a friend to all. Always with a smile and without complaint, she could brighten your day when she shared stories and pictures of her family who was so loved and the center of her life. “ Barbara has been a wonderful friend to many of her Cobb County School System friends. We will miss her presence at our monthly luncheons, and also some of our group shopping trips. She had an eye for the perfect outfit and always looked young and professional. My deepest sympathy to her family. She was very proud of all of you and spoke of you frequently. Love, Jean Corbin

“ Barbara and I have shared so many wonderful times at the "Book Exchange" and talking about our love of reading and the authors we like--so many great times at our "retirees luncheons", and special fun trips with the "gang". She has been a sweet and dear friend that I count my blessings for having her in my life. My thoughts and prayers are with you - her loving family - we "knew" you all through Barbara that always shared your lives with her friends--she was so very proud and loved you so.
